

State Testing Results, 2017

Report to the Board of Directors, Sequim School District

October 16, 2017

State testing results are available on OSPI's State Report Card site

- ▶ Public can access the information at <http://reportcard.ospi.k12.wa.us/summary.aspx?groupLevel=District&schoolId=1&reportLevel=State&yrs=2016-17&year=2016-17>
- ▶ Some data are suppressed by OSPI
- ▶ Data reported here is based on the state accountability priority, namely, students with IEPs are considered to pass in their qualifying category at level 2; these data are combined with data from students who pass at levels 3 and 4
- ▶ Data reported to determine federal accountability for school improvement under NCLB and now, ESSA, considers passing as levels 3 and 4 for all students; this data is not available to the general public
- ▶ Federal accountability data is available to building administrators in the EDS application, QUERY

State testing data is also available for view and comparison on the Data Analytic page of OSPI's Website

- ▶ Public can find this information at <http://www.k12.wa.us/DataAdmin/PerformanceIndicators/Assessment.aspx>
- ▶ Data for 2017 will be released later this month
- ▶ This webpage provides both state test results and Student Growth Percentile (SGPs)

School Improvement Designations in our district would be a result of a gap analysis

- ▶ Compare SBA data for ALL students with subgroups by race/ethnicity
- ▶ Compare SBA data for ALL students with subgroups by program (i.e. SWD, Els)
- ▶ For K-8- Attendance data (excused and unexcused)

Student Growth Percentiles

For High School - Attendance data (excused and unexcused)

- 9th grade success rates
- Graduation rate

Designations set to be released in February 2018.
