

August 25th, 2017 - Community and Contracting Outreach with Vanir Construction Management

Community: On Saturday, August 26, Vanir Construction Management will sponsor a booth at the Back to School Fair. Attendance is planned at Sequim High School's Career and College Day event on Tuesday, September 26.

Contracting: Vanir has reached out to local vendors and contractors for contracting needs. Current contracting includes a hazardous materials survey, underground storage tank removal, and schematic design.
