

From the Superintendent:

Welcome to the 2016-17 School Year and all the opportunities that lie ahead for students to experience success in our school district! I have watched our support service team's diligent efforts throughout the summer months to ready things for the return of our students.

We are pleased to offer you this copy of our Parent Guide and School Calendar. This document includes activities and events of the district, as well as quick reference for some essential information and annual notifications. Additional information and updates are available on the District website at www.sequim.k12.wa.us.

It is that time again to begin a new chapter for students, staff, and our Sequim community. I look forward to meeting you at the Back to School Fair, Open House, and the host of other events organized for the acclimation of our students to the new school year.

Notification of Rights Under the Family Educational Rights and Privacy Act (FERPA) Policy 3231

The family Educational Rights and Privacy Act (FERPA) affords parents and students over 18 years of age ("eligible students") certain rights with respect to the student's education records. They are:

1) The right to inspect and review the student's education records within 45 days of the day the School receives a request for access. Parents of eligible students should submit to the School principal [or appropriate school official] a written request that identifies the record(s) they wish to inspect. The School official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2) The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate or misleading. Parents or eligible students may ask the School to amend a record that they believe is inaccurate or misleading. They should write the School principal [or appropriate official], clearly identifying the part of the record they want changed, and specify why it is inaccurate or misleading. If the School decides not to amend the record as requested by the parent or eligible student, the School will notify the parent or eligible student of the decision and advise them of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the School as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the School Board; a person or company with whom the School has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the School may disclose education records without consent to officials of another school district in which a student seeks or intends to enroll. [NOTE: FERPA requires a school district to make a reasonable attempt to notify the parent or eligible student of the records request unless it states in its annual notification that it intends to forward records on request.]

4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are: Family Policy Compliance Office; U.S. Department of Education; 400 Maryland Avenue, SW; Washington, DC 20202-4605.

This program provides for nutritious, balanced hot meals daily at all levels. The meals are nutritionally balanced with lunch meeting one-third the recommended daily nutrition requirement.

Free and reduced-price meals are available to students whose families meet certain federal income requirements. Check with your local school for income guidelines and application forms. Information on the application form is confidential and will only be used to determine eligibility for school district food service programs. Breakfast and lunch prices are as follows:

<u>Student Meal</u>	<u>Breakfast</u>	<u>Lunch</u>	<u>Student Meal</u>	<u>Breakfast</u>	<u>Lunch Grades K-3</u>	<u>Lunch All Others</u>
Grades K-5	\$1.40	\$2.35	Reduced Priced Meals	0.00	0.00	\$.40

<u>Adult Meal</u>	\$2.35	\$3.60	Milk	\$.50	0.00	\$.50

Transportation Services...

Transportation is provided for students who reside more than one mile from school and for all students grades K-5 under one mile. One bus run will be operated in the AM and one in the PM with a mid-day Kindergarten run. Schedules will be posted on the district website, at the schools, and printed in the local newspaper in advance of school beginning. The first week schedules and bus stops may be adjusted slightly as bus routes are fine-tuned with respect to times and students rider numbers.

General Guidelines - If your student rides a school bus, parents are asked to review general bus rules with their students. Those rules and regulations are distributed the first week of school by your bus driver and need to be signed are returned to the driver.

Children Walking to School - Parents plan a Safe Route to School with your child. Caution them to choose intersections for crossing that are regulated by stop-and-go signals, traffic signs, or intersections that are designated with school crossing signs with good visibility in good directions.

2016-17 SEQUIM SCHOOL DISTRICT TRANSPORTATION SERVICES

Sequim School District reserves the right to change bus routes and times as needed. Students in grades K-12 ride on buses together.

First day of school: The Transportation Department strongly encourages all students who intend to ride the bus do so on the morning of the first day of school (September 1, 2015). This will enable parents, students and bus drivers to become familiar with the bus stop routine. Students who plan to ride the bus need to be at their stop five minutes ahead of pick-up time. Times and pick-up points listed below are approximations until exact enrollment and passenger loads are fixed. **Students need to be at bus stop 5-7 minutes before posted time.** Please remember, if a bus passes waiting students, it may not be their bus.

For the first day, new students will be picked up at all stops along routes, except for Hwy 101 East and West routes. The following are routes, not necessarily bus stops. Students will be advised after two or three days where the permanent bus stop will be. Every effort will be made to space stops approximately one-half mile apart, thus requiring a quarter-mile walk along routes. Exceptions will be made only on a case-by case basis due to special circumstances such as student safety or handicapping conditions.

Safety reminder for Hwy 101 West & East students: All students living on Hwy 101 West or East must catch the bus at their designated stop. Do not cross the highway to catch the bus at a later time.

Reminder for A.M. Greywolf Elementary students: Greywolf Elementary students are transferred to a shuttle bus in the Fir Street stadium parking lot.

Kindergarten bus runs: Bus drivers will not drop Kindergarten students at stops unless a parent or other designated adult is there to meet the child. If there is no adult at the stop, the child will be brought back to the school.

Parents, for younger elementary students on regular bus runs, please have someone at the stop to meet the students, particularly on Hwy 101 East and West.

All other students will ride the same route bus in the A.M. and the P.M. unless otherwise noted. Students who wish to get off at a stop other than their own, or who wish to ride a bus other than their own **must** have an official bus pass issued by the school office. **Hand-written notes from parents will not be accepted.**

If you have questions, please contact **Jeff Gossage**, Director of Transportation, at (360)582-3274 or (360)582-3273.
