

Sequim Career Technical Education Forums

Bring career technical curricula to life & help create job ready Graduates for Sequim

Wednesday, November 13th, 7 – 8:15am at the Sequim High School Culinary Arts Room
Or

Tuesday, December 3rd, 6 -7:15pm at the Sequim High School Cafeteria

Goal:

- **Strengthen, broaden & simplify CONNECTIONS between teachers, community members, businesses and non-profits**
- **Identify resources for teachers and students:**
 - classroom guest speakers
 - mentors and tutors for students
 - field trips to work sites
 - learning and enrichment activities
 - shadowing, apprenticeships, and internship opportunities

Agenda:

- **Overview of Sequim School District CTE curriculum**
 - Presented by Steve Mahitka, CTE Director
- **Breakout session**
 - How can you help? What ideas or needs do businesses and community members have to support students? What skills and attributes are important to Employers?
- **Skillmation.Sequim.org introduction**

Sequim School District
